Commissioner for Patents

Notice of Non-responsive amendment; see attached sheet.

DETAILED ACTION

1. The amendment filed on 11/7/06 is non-responsive because applicant failed to indicate if the newly submitted claims 77 – 94 are readable on the originally elected species as required.

Note that applicant was required under 35 U.S.C. 121 to elect a single disclosed species. Applicant was advised that a reply to this requirement had to include an identification of the species and a listing of all claims readable thereon, including any claims subsequently added. If claims are added after the election, applicant must indicate which are readable upon the elected species. MPEP § 809.02(a).

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.

2. Applicant is advised to thoroughly review the new claims so see if they are directed toward the species as originally elected by original presentation for prosecution on the merits. See MPEP § 821.03.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel Yeagley whose telephone number is (571)-272-6655. The examiner can normally be reached on Monday - Thursday.

Art Unit: 3611
